

We welcome our new Middle Level Math and Science Teacher!

World Academy is excited to introduce the newest member of the upper level team. Ramya Balasubramanian joins World Academy as the 7th and 8th grade math and science teacher.

Ramya has a Masters Degree in Physics with Chemistry and Math minors. She is certified in the state of Massachusetts for Middle and High School.

Some of her experience includes:

- High School math and physics teacher in India
- Middle and High School math instructor at Sylvan Learning Center
- Adjunct Faculty, teaching algebra at Merrimack College in Andover MA

She will be collaborating closely with our Science and Math teams and is eager to guide and support our S.T.E.M. focus. We look forward to the knowledge and expertise she brings to our 'World!'
