

2nd Annual Invention Convention

The Second Annual Invention Convention was held on Friday, February 19th at the World Schools' Annex. The fourth graders did a fabulous job creating and marketing their inventions. Congratulations to all of our inventors! Xahn Frater received the Environmental Award for his invention of the Recycle Space Saver, and Oliver Simon received the Kids Choice Award for his invention of the iNag. First place went to Kaitlyn Rice for her invention of the Cozy Kitty, second place went to Abby Yuan for her invention of the Storm of Warm, and third place went to Emily Gaudreau for her invention of the Anti Cat Cover. Best of luck to Kaitlyn and Abby Y. at the statewide celebration!! We know the both of you will enjoy yourself on April 3rd at the Fidelity Investments 2010 Young Inventors' Program Annual Celebration at Merrimack Valley High School in Penacook, New Hampshire.
