

# World News

## K-Grade 7

### IETHER PAD in the Classroom

6<sup>th</sup> grade World History students utilize online collaboration tool to help prepare for upcoming tests and quizzes.

**K science students** will examine the properties of snow and ice. In addition, students will explore the world around them as they discuss all things winter, bears and hibernation.

### A Round of Applause!

**Mrs. Collins** and her students performed fantastic holiday concerts and 6<sup>th</sup> grader **Emily Coffey** was outstanding in A Christmas Carol!

### Professional Development

**Mrs. Dias** completed her PhD course in Best Practices in Educational Leadership and **Mrs. Morganelli** completed her final M. Ed course. All teachers participated in a Web 2.0 tools in classroom workshop.

### International Aviation Poster Contest

5<sup>th</sup> and 6<sup>th</sup> grade science students will complete a cross-curricular art project as they design posters focusing on "50 Years of Human Space Flight" Good Luck!

### Making an Impact in our World!

Mrs. St. Lawrence & her science classes adopted an Amur Leopard from the World Wildlife Fund to help protect this endangered species.

## JANUARY 2011

### \*ELEMENTARY STEP-UP DAYS\*

K teachers and students loved having the preschool 4's visit during K Step-Up Day. **Our Kindergarteners Are Movin' On Up!** 1<sup>st</sup> Grade step-up Day is January 12<sup>th</sup>! Come find out what the buzz is all about!

Join us to hear the GREAT value of a World Schools education through grade 8!  
**World Schools Informational Kindergarten – Grade 8**

Friday January 21<sup>st</sup>

9:30-11:30

Saturday January 22<sup>nd</sup>

9:30-11:00

Congrats to the boys & girls indoor soccer teams on a fantastic season! Next up for school sports...

**SKI CLUB BEGINS IN JANUARY!** Students in grades 4-7 head to Pats Peak in January for skiing and Snowboarding fun!

Congrats to 4<sup>th</sup> graders **Ihsan Hamiroune & Finn Rice** for completing the Ski NH project. Both shared their Power Point presentations with the class and earned a book of lift tickets to each Ski resort in NH.

Kudos to 2<sup>nd</sup> grade gymnast **Sarah St. Lawrence** who earned medals in vault, bars and balance beam at a recent competition, earning herself a spot at sectionals in February- Good Luck!

**3 grade writers** will be designing tri-fold interactive book reports- be on the look out!

**4<sup>th</sup> Grade Scientists** discuss ways to improve the environment as they prepare for Fidelity Investments' Annual NH State Invention Convention.

**7<sup>th</sup> Grade** science students begin designing Rube Goldberg Machine in preparation for NH State Science Competition.

**A HUGE THANK YOU to...**  
Miss Vicki from Bridges for her Bullying Prevention Program.

**PTO for delicious staff breakfast!**

**All parents who donated to class holiday festivities.**

**1<sup>st</sup> Grade** Scientists travel to outer space as they study the Solar System. Students will have the chance to take a closer look at earth, mars and the moon utilizing **Google Earth!**

**Back to the Future with 2<sup>nd</sup> Grade!** 2<sup>nd</sup> Graders will use the online tool **SKYPE** to speak face to face with a fellow classmate who is in Rome Italy! Then they will travel back in time as they study the age of the Dinosaurs!

**K-3 Nature's Outdoor Classroom Program**  
Students will investigate animal prints in the snow as they travel through our outdoor classroom.
