

THE WORLD SCHOOLS EARNS NATIONAL NAEYC ACCREDITATION

Program Among the Top in the Nation by Earning NAEYC Accreditation

FOR IMMEDIATE RELEASE - Nashua, NH - The World Schools – World Elementary and Small World Country Day School located in Nashua at 138 Spit Brook Rd. has earned re-accreditation from the National Association for the Young Children (NAEYC)-the nation's leading organization of early childhood professionals. The World Schools has been accredited by the NAEYC since 1985.

"We're proud to have earned the mark of quality from NAEYC, and to be recognized for our commitment to reaching the highest professional standards," said Kathy Nelson, Executive Director/Owner of The World Schools. "NAEYC accreditation lets families in our community know that children in our program are getting the best care and early learning experiences possible." The World School provides care for children from infancy through Grade 7 (Grade 8 in the 2011) for all in Greater Nashua and surrounding communities including Massachusetts.

To earn NAEYC accreditation, The World Schools went through an extensive self-study process, measuring the program and its services against the 10 NAEYC Early Childhood Program Standards and more than 400 related Accreditation Criteria. The program received Accreditation after a site visit by NAEYC Assessors to ensure that the program meets each of the ten program standards. The NAEYC Accreditation system has set voluntary professional standards for programs since 1985. Programs are subject to unannounced visits during their accreditation, which last for five years.

In the 23 year since NAEYC Accreditation was established, it has become a widely recognized sign of high quality early childhood education. Almost 8,000 programs, serving one million young children are currently NAEYC accredited, which is approximately 8% of all preschool and other early childhood programs. "The NAEYC Accreditation raises the bar for preschools, child care centers and other early childhood programs," said Mark Ginsberg, Ph.D., Executive Director of NAEYC. "The World Schools NAEYC Accreditation is a sign that they are a leader in the national effort to invest in high quality early childhood education, and to help give children a better start."

The World School is also accredited by the New England Association for Schools and Colleges, which is the flagship of quality education in New England.
