The World Schools Scholarship Program Criteria

The World Schools is pleased to announce an Academic Scholarship program intended to admit students in Grades 4 to 7 who demonstrate strong academic achievement, high character and/or dedicated community involvement. One full year scholarship (valued at over \$8,000) will be awarded to the top applicant and other partial scholarships may also be available depending on the qualifications of candidates and funds in the scholarship account.

Applicants are required to complete the attached application and will be considered for eligibility once all of the following information has been received.

1. Completed application
2. Current record of academic achievement
3. Copy of most recent standardized testing results (NECAPS, TerraNovas, etc)
4. A letter of recommendation
5. Completion of one of the following essay questions:
 - How do you show you're an outstanding citizen/student of the community?
 - Where do you see yourself in 15 years and what will you do to achieve those goals?
 - How could you make The World Schools a better community by being enrolled in the elementary program?

Recipients of the scholarship do not need to apply each subsequent year once the award has been given. In order to retain the award, they must maintain a minimum of a "B" average and continue to demonstrate strong character and involvement in The World Schools community.
