PTO Pizza FAQ

What is PTO Pizza?

PTO Pizza is the primary fundraiser for The World Schools PTO. All profit is used to fund activities that develop a sense of community and fun for The World Schools' students and their families. Pizza is provided during the school year on brown bag Fridays and is served in the Great Room during lunch.

Can my preschooler participate?

Unfortunately, we are unable to offer this to the preschool wing for a couple of reasons. At that age, the children are not able to fully understand that some children will get pizza while others don't. The children of that age eat lunch in their own classrooms instead of the cafeteria where the volunteers serve the pizza to the elementary students.

What happens if a field trip is scheduled on Friday?

We have teamed closely with the teaching staff to order pizza as early as 11:15 for early lunches or the pizza can be saved in the classrooms for their return.

What happens if my child is sick on Friday?

Since we need to place the orders in advance, we cannot offer a credit if you miss a Friday.

What are the profits used for?

In the past we have hosted school dances, teddy bear picnics, sledding days, ice skating days and ice cream socials for the children and their families.

How does my child get his/her pizza?

Volunteers have lists (and each teacher will be provided with a list) of the children that have ordered pizza that week. The PTO volunteers distribute the pizza (with proper sanitary gloves) to the children.

Do I need to send anything to school for lunch?

If you would like a dessert or something to complement the pizza, please send that on Fridays.

Is PTO Pizza served on vacation weeks?

PTO Pizza is not served on vacation weeks. Please see the attached schedule for exact dates per package. Note on March due to vacation week, the first Friday for PTO Pizza does not match the calendar first Friday.

I want to order pepperoni for most of the year, but need to have cheese served on certain days for religious reasons?

If there is a reason to change from pepperoni to cheese, please provide written instructions at time of order. For example: My child needs cheese instead of pepperoni 3/11 – 4/22. We do not need to know the religion or holiday... just the dates affected.

What happens if my child forgets his lunch on Friday but did not order pizza on that date?

Since we must order in whole pizzas, there are sometimes extra slices which can be purchased at \$2.00 each. We cannot accept IOUs for this. Alternatively, Miss Cindy in the cafeteria is always able to make PB&J sandwiches and the teachers typically check in the morning with the younger children to let her know in advance if a sandwich is needed.

How do I volunteer?

There will be a sign up sheet on the PTO Table (near the cafeteria window). Please enter your contact information on the Volunteer Sign Up Sheet and then sign up for the dates desired.

How do I know if my child has pizza ordered on a specific week?

See attached PTO Pizza Schedule calendar or check with class room list or PTO Pizza folder on PTO table near cafeteria.

What if I have other questions?

Please contact us at pto@theworldschools.com and we will reply.
